## A VIBRANT TERM

We have had a busy last few weeks of term 1 with lots of activities.

The students have enjoyed having Megan our CRT to engage in some art/craft learning.

The students also had a chance to voice their opinions for our new bike track with Ric coming out from ACHPER to chat about what we would love included in the track

We had a sunny day for our grade 4-6 year students to compete in the Cross Country/fun run last Friday which we hosted at Linton.

It was really nice to see all our students give it a go and also nice to see our students and staff interact with other schools. Well done to all who participated.

We hope all our students and families have a safe and happy Easter, we will see you all in Term 2.

### **CROSS COUNTRY**

Year 4-6 students will participated in the LDSSA Cross Country @ the Linton Rec. on Friday, 28th March. The students could either participate in cross country or a fun run. We congratulate each student on giving it a go!

A special congratulations to Emmett who finished 3rd place in the Boys 10yrs division; he will now compete in the Eureka Division Cross Country.

### **SPORTS AFTERNOON & MAPPEN SHOWCASE**

Our Student Sport Leaders have organised a sports afternoon tomorrow Thursday, 3rd April. This will be followed by our end-of-term Learning Showcase at 3pm, we invite all families in!

### **GARDEN DAY**

On Friday, the last day of term the Environmental leaders have organised a Garden day. There are lots of activities planned. Students are encouraged to wear garden inspired clothes. We would appreciate if the students could bring a gold coin donation on this day and we will use this money will be used to buy plants for our new gardens.

### **KINDER VISIT**

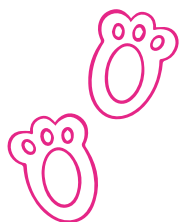

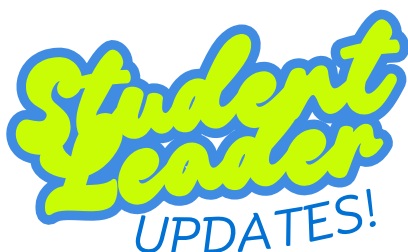

The juniors went for a visit down to the kinder the other day and spent a few hours with them sharing in play and craft.

### **BIKE TRACK GRANT**

Our students had a great session last week with Ric from ACHPER who gave students voice around what they would like in the bike track from our Active Schools Grant.

### **STUDENT VOICE LEADERS UPDATE**

As part of our student voice leader role we are discussing and organising fun activities that our whole school can participate in eg: Like planning a walk on the rail trail.  
Emmett and Millie.

## Learning Snapshot

<b>F - 2</b>	In maths, the juniors have been learning to collect data and present it in a graph. We are excited to share our MAPPEN work with families on Thursday.
<b>3 - 6</b>	<p>In literacy we have been reading our class novel - The Witches by Roald Dahl. We are very much enjoying this novel, especially all the nonsense words he uses throughout the book like 'crabcruncher and grobblesquirt! We also had fun coming up with our own recipes of horrid ingredients for the Delayed Action Mouse-Maker!</p> <p>In Writing we have been working on persuasive writing with the topic "If I had the super power of"... Which will be presented at our Showcase on Thursday afternoon.</p> <p>In Numeracy we have been looking at Statistics and Probability. We have been asking our classmates a question, recording the answers and presenting the results in different graphs.</p>

What are three things that  
**went well** for you today?

## Maths Task of the Week

### YEARS 1 AND 2

#### SHE-GOAT, WOLF AND CABBAGE

A farmer returns from the market, where he bought a she-goat, a cabbage and a wolf (what a crazy market :-). On the way home he must cross a river. His boat is small and won't fit more than one of his purchases. He cannot leave the she-goat alone with the cabbage (because the she-goat would eat it), nor he can leave the she-goat alone with the wolf (because the she-goat would be eaten).

How can the farmer get everything on the other side in this river crossing puzzle?

### YEARS 5 AND 6

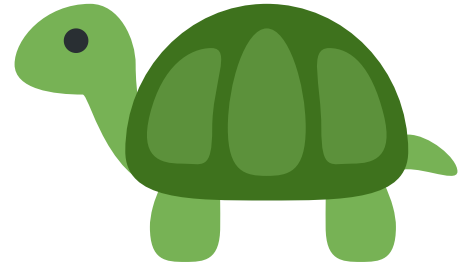

#### HUMANS AND MONKEYS

Three humans, one big monkey and two small monkeys are to cross a river:

- Only humans and the big monkey can row the boat.
- At all times, the number of humans on either side of the river must be greater or equal to the number of monkeys on that side. (Or else the humans will be eaten by the monkeys!)
- The boat only has room for two (monkeys or humans).
- Monkeys can jump out of the boat when it's banked.
