Thursday 11th September - Sov & Eureka Track and Field

Friday 12th September - School Photo's and Father's/Special Person afternoon at 3pm

Friday 19th September - Footy Colours Day - 2:30 pm finish

Sunshine!

We have had a very busy and productive week last week with Book Week.

We started off Book Week with a visit to Sovereign Hill for MARC Van. We enjoyed exploring the goldfields history and artifacts. Students ended the week by dressing up as their favourite Book character.

Ms Walker and Mrs Hilder have started their training with Berry Street and look forward to implementing this into the learning program once the course is completed.

Students have been enjoying learning from our wonderful PST's thanks to Nina and Eleanor for all their efforts throughout their placement - we wish you both all the best with your future endeavours!

Our DOXA camp is not far away 😊 a reminder if you haven't already if you could fill out the required forms and send them back to school ASAP.

Please continue to check Compass for updates regularly - the calendar feature in the app is also handy for checking out upcoming events!

Linton Primary School is a child safe school

SCHOOL BANK DETAILS
Parent's wishing to make payments via direct deposit:
BSB:063838
Account: 10018078
Please use student or family name as the reference.

Acknowledgment of Country
We recognise the Aboriginal and Torres Strait Islander people as the first custodians of the land. We acknowledge the Wadawurrung people and extend our respect to all Indigenous peoples of this continent recognising their cultures as the oldest continuous living culture in human history.

Woody Kinder Visit- Students received a wonderful visit from the Woody Kinder children last week. We were able to read some books with them and also participate in a craft activity of making and decorating our very own binoculars to explore the world with. We hope the Kinder children had as much fun with us as we had with them visiting our school.

Sovereign Hill - On Tuesday last week students attended Sovereign Hill as part of Marc Van for Book Week. We attended the Gold Museum, where we were able to explore all the historical artifacts of Ballarat. Some of these items included old bicycles, toys etc. Students love being able to see the history up close! We were then able to explore Sovereign Hill including things like gold panning, bowling, the playground and visiting the shops (especially the lolly shop! Yum!).

Book Week - On Friday we dressed up for Book Week. We saw lots of wonderful costumes from some of our favourite books.

Melbourne DOXA Camp

- Reminder to please complete and return ASAP.

If you consent to your child/ren going on camp and would like to use your School Saving Bonus to pay (\$50) please just send an email to the school email account (linton.ps@education.vic.gov.au) and Angela will action the consent and payment in Compass.

AWARDS:

Junior Award:

Callum - For pride in his writing. Callum is able to correctly write simple and compound sentences and is correctly adding commas to his work. Well done on applying the knowledge you've been learning this term!

Felicie - For pride in literacy. Felicie has begun to add detail in her writing and has made great progress in her letter-sound knowledge in reading. Well done Felicie!

Senior Award:

Raven - For his wonderful adding up and recognition with money during maths.

LEADERS UPDATE

STEM leader update:

Our Sport leaders have been organising some great whole group games during recess and lunch.

Some games include imaginative play, Soccer and Basketball. It has been so nice enjoying this play in the sunshine!

Learning Snapshot

F - 2	In writing, we have been learning the difference between simple and compound sentences. We have also had the opportunity to apply our punctuation learnings from the start of the term by putting commas in front of the conjunctions we have used in our compound sentences!
3 - 6	In Reading we are continuing to ask questions before, during and after when we are reading. We are also enjoying our class novel Demon Dentist. In Writing, We are working on our sentence structure. We are editing our writing to create better sentences by creating simple, compound and complex sentences. In Numeracy, we have been learning about money. We have been adding and subtracting money with decimals and how to divide money into fractions and percentages. We are also looking forward to heading off to camp next week!

Maths Task of the Week

Problem of the Week: Find My Shape

My shape has more than three corners.

My shape only has right angles.

Some sides of my shape are longer than other sides.

What is my shape?
