LEAP is here!

We are excited to announce that starting next term we will have our own School Council led After School Care service running @ school (LEAP). A lot of work has gone into establishing this service and we hope it fills a gap and helps out our families.

The service will run daily from 3:30 (after school) - 6:00 pm everyday!

More information on how to enroll your child in LEAP and the booking process will be sent out to families shortly.

Welcome back to Jasmine who will be the coordinator for LEAP!

Hello! I'm Jasmine, a cheerful, creative, and adventurous person who recently moved to Victoria from South Australia (talk about adventurous!). One thing you should know about me is I love trying new things, often leaving me with several projects going on at a time. I am beyond excited to be a part of LEAP and I look forward to working alongside the students to create an inclusive and fun space for them to thrive and create happy memories.

Camp Fun!

We would like to thank all our students for representing Linton PS so well while on camp at DOXA.

The students thoroughly enjoyed all the experiences of the big city and the wonderful memories that were made.

We would especially like to thank our wonderful friends at Cape Clear PS for joining us, we had so much fun with you all.

We have some students representing Linton PS in our Sovereign and Eureka event tomorrow. We wish them all the very best.

Unbelievably, we have only one more week of term and only one more term for the year! It has been a short, busy and enjoyable term at Linton Primary School - we hope everyone has a safe and enjoyable holiday and rests up for a great Term 4!

Please continue to check Compass for updates regularly - the calendar feature in the app is also handy for checking out upcoming events!

Learning Snapshot

F - 2	In maths we have begun learning about translations of shapes. We have explored examples of flips, slides and turns in our school environment.
3 - 6	In Literacy we are continuing to monitor our understanding of what we are reading and if we lose meaning, to use some of our reading strategies to regain our understanding. In writing we are continuing to focus on our sentence structure writing different types of sentences. In Numeracy we have been working hard on our problem solving skills using different strategies to solve number problems. We are now focusing on measurement.
