STUDENT Leadership!

Our Year 6 Leaders attended a GRIP conference on Wednesday the 13th May.

The GRIP Student Leadership Conference is unique in that it concentrates specifically on training student leaders for their role as SCHOOL LEADERS. The style, topics, and content of this conference all focus on what the students can do RIGHT NOW. Our Year 6 students were quite inspired by this conference and are eager to put some ideas in place for the students and our school.

Reminder, next Friday 5th June is report writing day, this will be a **student free day** for students and a reminder that Monday 8th of June is a public holiday for the Kings birthday.

We are looking forward to our Year 6 leadership assembly that will be held on 12th June at 3pm, we encourage and welcome family members to attend. Students will be sharing their leadership projects for 2026!

There are a number of updates below - please reach out if you have any questions.

We first went to the Sebastopol Library, where we looked at some books and played with the Duplo and board games. Afterwards we travelled to Lake Wendouree, where we had a snack and a play on the playground. We also did a scavenger hunt in the Botanical Gardens.

Camps, Sports, Excursion Fund (CSEF)

Hi all,

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF.

If you applied for CSEF at our school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments:
your child has started or changed schools this year
- changed family circumstances:
such as a change of custody, change of name, concession card number, or new siblings commencing this year

Please check with me if you are unsure

CSEF has increased to \$400 for 2026.

There is a form attached to the relevant post on Compass form for your convenience.

Thanks
Angela

Report Update

We will be providing student achievement reports for Semester 1 this year as usual.

The reports will be distributed on Friday, 26th June via Compass.

The reports will continue to provide important details about student learning attainment, but full descriptive comments may not be included as a result of industrial action taken earlier this term by the Australian Education Union.

We will of course be pleased to discuss with you your child's progress at our next parent-teacher interviews scheduled for early Term 3.

NATIONAL SORRY DAY!

Year 6 Leadership GRIP Conference

Geordie: I liked learning about all the things that I can do to be a good leader back at school.

Sloan: It taught me how, where and when our ideas can come across. How we can achieve this back at school with things like clubs etc. I also liked how we had the "loud noise" time to express how we feel and make some noise.

Ebony: From the GRIP conference I learnt that you have to face challenges to make ideas to become a good leader at my school.

Millie: I thought it was really funny when Levi acted out the character Juilian. I also learnt how to be a good leader at school.

Xavier: I learnt how to be a great leader for my school and wider community.

Emmett: I liked the "noise breaks" that they had where you got to make noise and how we were able to write down and share different ideas about what makes a great leader.

Allie: It was really fun and I really liked the "loud noise" part. I learnt that being a good leader is to help other students and seeing if they're okay.

Griffin: I liked the part where they explained about how we can come up with new ideas to help with being a good leader at our school.
