A HOT START!

We have loved getting straight into learning with our students in 2023. It has been a hot start literally and figuratively. I continue to encourage students to please drink plenty of water, wear light clothing and play some calmer games during breaks – especially with the temperature pushing above 30 degrees!

Extreme Fire Rating Relocation

Thanks to all families with their flexibility last Friday. It was difficult from my point of view finding out so late on Thursday evening that we would in fact need to relocate. As a staff we reflected in regards to things we would do differently, obviously next time the communication and exactly where to meet families at Delacombe PS will be more clear. If any families have further feedback, please don't hesitate to get in contact. Most importantly, everyone stayed safe 😊

Learning Timetable

Please see below a copy of our learning timetable for term 1. We hope it gives parents an idea of what learning students have completed during the day and can discuss this with students each night after school.

Getting to know you interviews

We have scheduled some getting to know you interviews next Thursday, 2nd March for staff, students, and parents to sit down and have a conversation at the start of the year. Please see the times below and note that students will be dismissed from 2:00pm to enable these interviews to happen. *If you are unable to make your time, please reschedule with your child's teacher.*

- School Council has approved the following student free days for 2023:
- Friday, 10th March (PP day)
 - Friday, 9th June (Curriculum Day - reporting and assessment)
 - Monday, 6th November (Curriculum Day - professional learning and reporting)
 - x1 Day TBC - first aid training

Sporting Schools – Golf Day

To wrap up our Golf Program for term 1, students will be attending a Golf Day @ Snake Valley golf course on Thursday, 9th February. Tony Collier will be running the day and students will be joined by Cape Clear PS. It should be a great day of golf and socialising for our students!

Linton Sculpture Involvement

Today along with two of our Year 5 student leaders - Jamelia and Liam, I attended a meeting with various parties involved in the development of the Dr Vera Scantlebury OBE sculpture. We have been invited to be part of the indigenous garden planting and help develop some artwork for the space. Staff and students are looking forward to heading down for the unveiling of the sculpture as well as participating in the creation of the garden!

Welcome BBQ

We would love to host another welcome BBQ for our school community. Like last year, it will be held down at the community reserve from 5:30 pm on Monday, 6th March for a shared BBQ – meat will be supplied.

Lunch Orders

Due to our relocation last week, the shop has kindly rolled over all orders to this week.

Parent Cuppa Morning

We would love to invite all parents in for a 'cuppa' and a chat on Friday, 17th March from 9:00 am (after drop off). This will be a chance for a catch up.
