Respect Responsibility

Pride

From the Principal:

Welcome Back

I hope everyone had a brilliant and safe holiday. I enjoyed the chance to get to Adelaide for a few days and loved the warm weather as well as the chance to catch up with friends. I appreciate everyone who made the effort to attend our ANZAC ceremony last week, it was a great day, and the students did brilliantly.

The weather has turned, I encourage all students to bring a warm coat and beanie for the very wintry days we have been experiencing.

Premiers Reading Challenge

Please find information attached to this newsletter relating to the Premiers Reading Challenge. All students should now have their login details. If anyone has any questions, please get in contact with Mrs Walker.

GRIP Leadership Conference

Our student leaders will be attending a Student Leadership Conference at Federation University next Thursday. I am sure it will be a fantastic day full of inspiration, socialising with other schools and big ideas for our leaders!

Snow Camp Staffing

Mr Vagg and Mrs Foy will be attending Snow Camp with our Year 3-6 students. We will be sending home more information over the next few weeks, but I encourage any families with urgent questions to please get in contact!

Cross Country

Our Year 3-6 students had a great day at Napoleons PS last Friday. Despite the rain, students did a great job participating in either a 2KM or 3KM run. Well done to Campbell who will represent our sporting cluster at the next stage in Ballarat next Friday!

ReCranked Program

Our Year 5&6 students are participating in ReCranked this term. They loved their first session with Tom and Chris exploring how to fix and service bikes so that they are safe and roadworthy. As part of the program, they will be keeping a tally of how much money they save restoring old bikes, developing sustainable practices whilst getting active!

Sustainability

Dear Parents,

During this term your child will be learning about Sustainability and the different ways that we can all help to look after our environment.

Something students are learning about is how to reuse items that are commonly discarded.

Students will be constructing items out of these commonly discarded materials, and we would appreciate it if you could contribute any items into a collection for students to share.

Some examples of the things we would like you to send include:

- **Egg cartons**
- **Cardboard**
- **Plastic containers**
- **Paper towel rolls, cling wrap rolls or aluminium foil rolls**
- **Old buttons**
- **Used ribbon**
- **Used wrapping paper**
- **Material scraps**

Please place items on the top tier of our tiered seating for the moment 😊

Thank you for helping us to teach our children how important it is to save finite resources.

Dear parent/carer

Welcome to the 2023 Victorian Premiers' Reading Challenge.

The Premiers' Reading Challenge will take your child on a journey where they can discover fascinating people, places and things in every story.

As your child lets their imagination run wild, they will also gain important skills and knowledge. We know reading helps nurture important literacy skills that will be with your child for life.

Each child who completes the Premiers' Reading Challenge will get a letter from me, that is also signed by past Victorian State Premiers.

For children who are yet to start school, I invite you to experience 40 books with your child as part of the Challenge.

Students from Prep to Grade 2 are challenged to read or experience 30 books.
For students from Grade 3 to Year 10, the challenge is to read 15 books.

There are thousands of books for your child to choose from on the [Premiers' Reading Challenge book list](#), to suit their interests. There are also many ways that children of all abilities can participate in the Challenge. Visit the [Including all students](#) webpage for more information.

I also invite you to join the official Victorian Premiers' Reading Challenge Facebook page, to join the community of participating parents and teachers and share your stories, stay informed and celebrate your child's journey throughout the Challenge.

I hope you and your child enjoy being part of the 2023 Premiers' Reading Challenge.

Good luck!

Yours sincerely

The Hon Daniel Andrews MP
