From the Principal:

School Council Announcement

The School Council of Linton Primary School are delighted to announce the appointment of **Mr Stuart Robinson** as the new **Principal** for our school.

Stuart is well known to our school community as he has been our Acting Principal since 2022. Stuart is a committed and enthusiastic educator and leader whose calm, caring presence has resonated with students, families and staff alike.

The process for the selection of our new Principal was very extensive and we thank the members of the Selection Panel for their professionalism and commitment to the selection process.

We are excited to have Stuart continue as part of our community and look forward to building a great future for Linton Primary.
Congratulations Stuart!

Yours sincerely,

Linton Primary School Council

Camp Notes

Could all families please aim to have camp notes back by this Friday, 2nd June. We also ask that Year 4-6 students please return their winter sports notes ASAP.

Reading Awards

Well done to some of our juniors who received their first reading award for the year. They are pictured below with their book prizes. Awesome job!

Building Updates

Stage 2 is about 95% complete inside with several finishing touches being completed this week. Externally, our new stairs and outdoor amphitheatre are complete and looking great. If the weather is kind, everything should be completed by the end of term.

National Simultaneous Storytime

All students participated in National Simultaneous Storytime last week. We enjoyed the book – **The Speedy Sloth** and loved investigating sloths later in the week!

End of Term

The end of term is coming up quickly. A reminder (to our Junior families) that school will finish on Friday, 23rd June @ 2:30 pm.

Assessments

As mentioned in our last newsletter, students have been completing mid-year assessments over the last week. We have been thrilled with their effort to do personal best, it has also been a great time to reflect on goals and areas for future student learning, which teachers will discuss with families at interviews early next term.

Learning Snapshot ☺

F-2	Junior students have begun Sounds Write this term and are loving learning and practising the different sounds.
3-6	Seniors have been enjoying Integrated Studies – looking at various endangered animals.

Challenge - How many pencils in the picture –
write or draw your answer to prove it! Any
answers to Mr Vagg!
