Snow Camp Excitement

Excitement for Snow Camp has been steadily building during the term and our senior students are all set to go on Monday. A reminder to families to please have students packed and at school ready to go from 8:45 am.

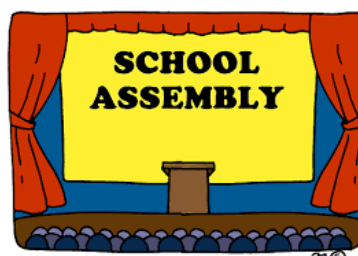

Junior students are excited to have a week of the school and playground to themselves!

I spent last Monday down in Melbourne at the annual Victorian Principals Conference. The theme of the conference was 'leading people' and it explored key ideas around:

- Leading coherence
- Learning outcomes
- Leading self

I picked up some great ideas and messages to implement for the school, but also in my own learning and wellbeing. A session on BEU's (Brief Emotional Uplift's) and the positive impact they can have, reinforced the importance of us implementing our brain breaks and energisers to support student wellbeing and ultimately learning. Overall, one of the most important reasons for attending is collegiality, catching up with other Principals from the local area and around the state, sharing ideas and challenges. Thanks to Mr Vagg for keeping things going at school.

Thanks to students and families for making it another great term at Linton. Everyone's support is very much appreciated by our staff as we continue to strive for the best learning and wellbeing outcomes for all students.

Assembly

Our final assembly for the term will be held this Friday, 16th June @ 3:15 pm.

End of Term

The end of term is coming up quickly. A reminder (to our junior families) that school will finish on Friday, 23rd June @ 2:30 pm.

Learning Snapshot

F-2	<p>In spelling, we have been listening for the individual sounds in each word. In Maths students have been looking at Australian Money – recognising and ordering coins and notes and counting small collections.</p> <p>An example of a task we looked at – <i>'Mr Robinson had \$8.60 in his pocket – what coins and/or notes could this have been made up of?'</i></p>
3-6	<p>Senior students created a persuasive poster to save endangered animals – check out Scarlett and Campbell's efforts below.</p>
