name in the reference field.

Wheelie Wednesday Fun!

Another super busy few weeks as Term 3 winds up quickly. There is some important information included this week as well as some great photos of what has been happening.

I would love to reiterate what I always try to make clear to families - please don't hesitate to make a time for a meeting if there is something you wish to discuss – all staff can make time to meet, and communication is important to get everyone on the same page.

Bushfire Readiness

It is that time of year where we make preparations prior to the fire season beginning. We would appreciate if each family returned their notification of intent if our school had to relocate to Delacombe due to an EXTREME fire day.

End of Term Assembly

Next Friday we will have our end of Term Assembly @ 9:00 am. It will also be Footy Colours Day. More information will be sent home early next week!

Parent Opinion Survey

We would appreciate any families who have not yet had the chance to complete this do so by Friday, information has again been sent out with the newsletter 🙏

Swimming Program

Our teaching and learning program will be slightly modified next week for Swimming. We will need to depart school around 12:15 for our Swimming which is from 1:15 – 2:00pm each day. This will also mean that students will be dismissed upon returning from swimming Friday afternoon (likely around 2:50 – 3:00pm).

Steampunk Art

This term we have been exploring the theme of steampunk and making our artwork look robotic. We used a variety of mediums, including recycled materials to create our Steampunk robots. They are on display in the foyer for our school community to view. Students also traced an animal silhouette and added robotic features to create our robotic animals, inspired by the book *Mechanica* by Lance Balchin.

Sovereign & Eureka Athletics Recap

Well done to our four students on their efforts at the Athletics yesterday. Campbell (2nd in Long Jump) & Liam (3rd in Hurdles) won ribbons and Jamelia and Amity finished close 4th in their respective running races. We appreciate the parents for taking our students – great to hear our kids assisted with set up on the day!

Maths Game – Chocolate Chip Cookies →

Check out the QR code link to the 'Love Maths' website by Mick Minas. The Chocolate Chip Cookies game has been a favourite at school and an easy one for families to play 😊

Staff emails

Miss Walker – jacklyne.walker@education.vic.gov.au (Thursday & Friday)

Mr Vagg – daniel.vagg@education.vic.gov.au

Mr Robinson – stuart.robinson@education.vic.gov.au

Angela Burgoyne (Business Manager) - angela.burgoyne@education.vic.gov.au

School email – linton.ps@education.vic.gov.au

Appreciation

I appreciate seeing the awesome Steampunk art pieces, they look brilliant!

Have a great week 😊

Stuart Robinson
