**Respect Responsibility

From the Principal:

I would like to take the opportunity to welcome everyone back to Term 2. It is a short term in comparison to Term 1 but is already jam-packed with a range of student activities, learning and camps!

LDSSA Cross Country

We look forward to an enjoyable day on Friday at the Scarsdale campus of Woody Yallock PS for the WPPSA Cross Country. I have everything crossed that the weather is kind to us.

Year 4-6 students will travel by bus to and from the event and parents are most welcome to attend. Races begin after 1:20 pm. This is another event where all we ask is that our students try their individual best. I was so proud of their efforts at the LDSSA Athletics, and I have no doubt this will be the same. Miss S & Miss Mitchell will be attending.

CBTS Camp (Year 3-6)

Our senior students are off to camp on Tuesday next week. The bus will depart school at 11:00 am (students are to attend school as normal in the morning). Students will return to school at 2:00 pm on Friday. Parents are welcome to collect students when they arrive back at school. Miss Mitchell and Miss S will be accompanying students on camp. A parent information book is being sent home with students today. Mr R. will be in the junior classroom for the week

Assembly

We will have our first assembly of term, this Friday @ 3:15 pm. There will be no assembly next week.

Staff professional development

Last Friday all staff attended a Maths PD at Macarthur St Primary School. We all loved the chance to catch up with Andrea Hillbrick.

This week, teaching staff have been using Professional Practice days to further their professional learning whilst also getting ahead on planning and assessment.

Holiday helpers

Thanks to Miss Mitchell and the Cox and Kerr families who all gave up some holiday time to assist in the moving process. It is a huge help!

Breakfast Club

Breakfast Club is continuing each Friday from 8:30 am. All students are welcome 😊

Power Outage

We have been informed by Powercor that we will have an interruption to our power supply, this Friday, 6th May between 8:30 am and 2:30 pm. The times are approximate however, it is important that students come prepared with warm clothes and coats as our heating may not be on during the day and the forecast isn't great!

ANZAC Ceremony

Thanks to everyone who supported our Anzac Ceremony. It was a wonderful morning and the students spoke brilliantly.

Golf – Sporting Schools

This term students voted to use a Sporting Schools grant on Golf. Last week we had Tony come out and run us through our first session. We will have 3 more sessions during the term!

Happy Mother's Day

A big Happy Mother's Day to all the mums in our school community. We appreciate everything you do for the school and our wonderful students. Have a wonderful day with your families!

Prospective Family School Tours

If there are any families interested, we welcome you to come along and see our beautiful school.

Personal tours for prospective families are available by appointment, and can be made by calling or emailing the school (5344 7341 / linton.ps@education.vic.gov.au).

Staff emails

Appreciation

I appreciate seeing our students be so inclusive whilst playing at school.

As always if you have any issues or questions, please don't hesitate to contact the school, myself personally or your child's classroom teacher.

Have a great week and stay safe!

Election Day BBQ

We will be running a BBQ on election day (21st May). If you are able to volunteer on the day – please contact Alison Kerr 😊

Smythesdale Country Market

Come along to the Smythesdale Country Market on May 21st between 10am - 2pm at the Smythesdale Historic Precinct (Brooke Street).

There are heaps of things to see and do! For the kids: free children's activities including plaster painting and an interactive circus play space. For the parents: live music; craft, food and maker stalls; sausage sizzle and a guided tour of the historic precinct.

All money raised through the sausage sizzle, morning tea and book stall goes toward the continued work of the Woody Yaloak Historical Society.

If you are interested in holding a stall at the event, please contact Bill on 0409 145 267.

One Liners!

(A space to share what has been happening in our classrooms)

F-6: Students have been working together to create bead strings (see photos below)! This idea is from our Maths PD last week. They can be used for games, as a tool for counting, a way to prove your thinking in maths and many other things!
