READY TO LEARN PLANS!

Thanks to our staff for their flexibility during my absence, it is great to know our school and students are in good hands when different staff are away!

Curriculum Day & Queen's Birthday Public Holiday

A reminder to families that this **Friday (tomorrow) is a student-free (Curriculum) day**. Staff will be working to finalise student reports and assessments. Monday is the Queen's Birthday Public Holiday. We hope families enjoy a long weekend and stay safe, warm and dry!

School Council AGM

Our School Council AGM was held last Wednesday, 1st June. Congratulations to the following people who were elected:
Alison Kerr – School Council President
Dale Cox – Vice President
Erin Mitchell – Secretary

Student Reports

Student reports will be sent home next *Wednesday, 15th June*.

Parent-Teacher-Student Conferences

A reminder to families that these are scheduled for Wednesday, 15th and Thursday, 16th June. Families should have received information earlier this week with their allocated times. Any questions at all, please contact your child's classroom teacher!

Building Upgrade Updates

I had a meeting last Friday afternoon with the VSBA (Victorian Schools Building Authority) and our project architects. The architects are in the process of updating the drawings so that the builder can give a final costing. Hopefully, we have more information and updated start date before the end of term!

Breakfast Club

Breakfast Club will continue from Friday, 17th June @ 8:30 am with Janenne. All students are welcome 😊

Local Excursion

Our students have been invited to be part of the local '[Living Sculptures](#)' work taking place at Edinburgh Reserve. Students and staff will be walking down to the Reserve on Wednesday, 15th June. They will be eating lunch, before spending time dreaming up and imagining what the living sculptures might be like. We will then walk to the Craft Room at the Shire Offices to draw and write about ideas for the project. Thanks to the artists - Kait and Forest for involving the school!

School Timetable

Your child may have mentioned recent timetable changes during the school day. Due to a range of factors, staff have been trialling several different timetables to give students the chance to do their very best learning during the school day. We are really hoping to make changes, so that we have a timetable that allows for consistent routines that benefits both student learning and wellbeing. Students will continue to be asked their opinion, to ensure they have a voice in the decisions as well! We are also seeking feedback from parents regarding these changes and would really appreciate everyone filling out this [quick survey](#).

Out of School Hours Care (OSHC)

As a school, we are investigating if our School Community would benefit from the establishment of an Out of School Hours care program. Such a program could potentially provide before school care, after school care and school holiday programs. We have added a section to our School Timetable survey above and would appreciate any feedback!

Winter Clothing

The weather continues to be very cold and wet! Please make sure students have appropriate clothing to play in the cold, wet weather conditions – we know that they really love getting outside, being active and social during break times. Students may like to bring a waterproof coat and beanie to make sure they are warm and dry outside.

Principal Conference

Last Monday and Tuesday, I attended the state Principal Conference in Melbourne. It was great to catch up with colleagues in person. The theme of the conference was 'Stronger Together: every student, every school'. A key message was how as an education system in Victoria we need to do our very best to make sure every student has a great day, every day. A big focus was on teaching and learning, but also student wellbeing.

Prospective Family School Tours

If there are any families interested, we welcome you to come along and see our beautiful school.

Personal tours for prospective families are available by appointment and can be made by calling or emailing the school (5344 7341 / linton.ps@education.vic.gov.au).

Election Day BBQ

Thanks to all our wonderful parents who volunteered and made this a great morning. Also, thanks to the community for your ongoing support!

Appreciation

I appreciate being back at school this week after being unwell, it is so nice to see the smiling students!

As always if you have any issues or questions, please do not hesitate to contact the school, myself personally or your child's classroom teacher.

Have a great week and stay safe!
