## BUILDING WORKS TO BEGIN!

### Building Works

Our building works are all set to start today - Monday, 5<sup>th</sup> September. Students and staff have been busy emptying the last few things out of our senior classroom and library space for the first phase of the work. Everyone who is entering the building will need to use the front (Adair St) entrance to access the learning space.

### Log Cabin Camp

Linton PS students had a wonderful time at Log Cabin Camp near Creswick last week. It was 3 days full of fun and action. Our students enjoyed a range of challenges which put them outside of their comfort zone. The support they showed each other when they faced these challenges was lovely to see.

Highlights included:

- Zipline
- Damper making and billy tea
- Night hike
- Challenge swing

We hope to share some student writing about our time in our next Newsletter. Check out our Facebook page for some more highlights shared by Miss Mitchell. A huge thanks to the Log Cabin Camp staff and our own teachers for going above and beyond for our students!

### **Child safety and wellbeing at Linton Primary School: information for families and the school community**

The Victorian Government has announced new [Child Safe Standards](#) to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Linton Primary School has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These policies are in the process of being added to our website.

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact our Acting Principal - Stuart Robinson.
