From the Principal:

## FINISHING THE YEAR STRONG!

This Thursday, we welcome our 2023 Foundation students for their 3<sup>rd</sup> transition session. They have been settling in beautifully and our current students have loved having them here!

### Acting Principal Role

I got some great news yesterday, that I will be continuing at Linton PS as the Acting Principal for the first semester of 2023. I look forward to continuing to provide the best learning and wellbeing opportunities for our students during this time.

### \*Change of date\*

Everyone, please note that our end of year celebration evening has been changed to **Wednesday, 14<sup>th</sup> December**. More information to come shortly, but it will be like the event that was held last year. Fingers crossed that the weather is kind!

### Assembly

A reminder to families that assembly is held in our classroom each Friday @ 3:20 pm

### Book Borrowing

Mrs Munson has asked that we let all families know that there will be no borrowing from the MARC Van after the 1st of December. It is also asked of students to please return any books still at home ASAP. It would be much appreciated if you could please look and send them with your child back to school.

### Parent Payments and Radmac Booklists

It is our recommendation that all Educational Items be purchased through Radmac Office Choice Ballarat to ensure all students are using the same products to assist with the organisation and continuity within the classroom. If you choose to purchase elsewhere, we please ask that you consult with the classroom teacher, so all items meet the specifications required by the school. Children may use their pencil case from this year if it is in good condition or provide a large double zipped pencil case that your child has chosen for individuality. Thank you to the families who have paid Parent Payments for 2023, it is much appreciated. Just a reminder that the book lists are due to be returned and paid to Radmac Ballarat on Friday 25<sup>th</sup> November. Forms must be returned to Radmac or the school with either your card details or direct deposit made to Radmac Ballarat. If you are not able to do this by Friday, can you please contact Sandra at Radmac on 5333 4617 to discuss your options. If you require another copy, please contact the school.

### Swimming

A reminder to families that next Wednesday (30<sup>th</sup> November) is our students final swimming lesson. Please see a note inviting families below.

### State Election

Due to our building works and lack of space, unfortunately we will not be hosting the state election this Saturday. A reminder to families that the voting centre will be at the Linton Recreation Reserve.

### **Attendance**

Going to school every day is the single most important part of your child's education. Students learn new things at school every day. Attending and participating in school will help your child develop:

- important skills and knowledge to help them learn
- social and emotional skills such as good communication, resilience, and teamwork

**There is no safe number of days for missing school. Each day a student misses puts them behind.**

### **School Holiday Camps**

Doxa are running their school holiday camps during the summer and Term 1 holidays in both the city and at a bushland camp. This is for students between the ages of 10-12. If your child may be interested, please let me know and I will send you further information. A flyer is attached to the back of the newsletter.

### **Andy Griffiths session**

On Tuesday, students attended a virtual session with famous author Andy Griffiths. As part of the session, students completed a writing activity in which they had to write a story about the earth being 'destroyed' in exactly 10 words! Here are some of our stories:

Name	Story
Jamelia	The world has been taken over by dinosaurs and birds.
Amity	The world became a mess because there was a fart.
Geordie	A giant bunny jumped on the earth and destroyed it.
Lexi	The world exploded from the boy who sat on it.
Liam	Giant Penguins! Took over the world and exploded the moon!
Scarlett	There were one thousand, million ants that ate the world.

#### Got a green thumb?!

We invite any parents, students or community members interested to help maintain our raised garden beds – the one at the front of the school has sprouted some lettuce, mint, basil as well as beautiful flowers. Feel free to grab anything you might need for home 😊
