Respect Responsibility

Pride

From the Principal:

Looking back, looking forward 🔄

As we move into November, it is a time when schools and leaders reflect on the year and our achievement in relation to our Annual Implementation Plan. We look at goals, targets, and key implementation strategies and how successful we were in achieving these and then plan for 2024. It has been great looking at our achievements during the year and I will be spending time over the next few weeks outlining our 2024 AIP.

Grand Opening

Please see the invite below outlining the details for our official building opening – scheduled for **Wednesday, 22nd November**. We will be hosting an open building from 10:30 am followed by an official ceremony at 10:50 with our local member for Ripon Ms Martha Haylett joining us. Afterwards, we will be having a shared morning tea. We welcome all parents, families, and community members to join us on this day.

Buildings & Grounds

We have had several different jobs completed around the school over the last few weeks. Thanks to Ozinet Zero for their efforts in going above and beyond when tidying and making things safe. Also, thanks to the parents who continue to update and refresh the front space of the school. It is looking great!

Basketball – Sporting Schools

Basketball sessions will be continuing this Thursday at school and next Thursday @ the Rec to use the indoor rings. Students will walk down with staff from 1:30 pm. Students will return to school after the basketball clinic at 3:00 pm and pickup will be as normal at school at 3:30 pm.

Bike Orienteering

This Sunday, 12th November the school will be hosting a bike orienteering event – you may see several riders and organisers using the back deck and court as a base for their event 😊

End of year excursions & activities

We can confirm the following two excursions – permission forms will be sent home in the next few weeks!
